

Visiting Artist Program Artist Application

Cottonwood Art Festival invites you to participate in one of our community outreach programs. This program is designed to encourage school age children to participate in the visual arts. Children are given the opportunity to interact with professional artists and receive their insight in to the visual arts.

The Visiting Artist Program makes use of the incredible talent of the professional artists that exhibit at Cottonwood. By sharing your time and talent with children, this art education program has enjoyed great success not only in our schools, but also at the festival itself. This program is for artists who are interested in visiting a specific classroom for a one time presentation or demonstration of their art.

Visiting Artists participants will receive a "First in Line" pass for load-in and load-out, a goodie bag and an **ArtBeat** participation plaque for display in their booth. If you are interested in this program, please fill out the form below and send in with your artist application.
